Maharashtra Chapter

MAPCON

Pune

"Pathology: Unraveling the mysteries of disease"

6th | 7th | 8th October 2023

Organised by

Department of Pathology, Symbiosis Medical College for Women
Gram: Lavale, Tal.: Mulshi, Dist.: Pune 412 115, Maharashtra, India

www.smcw.edu.in

Applied for 6 MMC Credit Hours

SYMBIOSIS INTERNATIONAL (DEEMED UNIVERSITY)

Symbiosis International (Deemed University) is a multi-disciplinary university offering its students and faculty a vibrant learning ecosystem designed around its multi-cultural and innovative ethos.

Established in 1971 by Prof. Dr. S.B. Mujumdar, Symbiosis is a 'home away from home'. The Institution is based on the principles of Vedic thought of "World as One Family". The University's name fittingly captures the quintessence of the relationship with International students; a mutually beneficial bond between India and the International student community. Campuses of Symbiosis, spread across 4 states and 6 cities in India, are resplendent with the activities and students from more than 85 countries. All campuses epitomize the Symbiosis vision of 'Promoting International Understanding through Quality Education' and are a beehive of international students from all across the globe, being privy to Indian culture and hospitality.

Symbiosis International (Deemed University) offers programmes across eight faculties, viz. Law, Management, Computer Studies, Medical & Health Sciences, Media and Communication, Humanities and Social Sciences, Engineering and Architecture and Design. SIU has 40 Constituents, 11 Research Centers, 10 Support departments and 10 Departments of Skills & Continuing Education.

The University has been ranked 32nd by the National Institution Ranking Framework. It is ranked amongst the top 350 universities in Asia by QS Asia World University Rankings Survey and is also ranked amongst the top 1000 universities in the world by the Times Higher Education (THE) World University Ranking 2022.

Symbiosis International (Deemed University) is committed towards generation of knowledge, innovations and its contribution towards the development of the Nation.

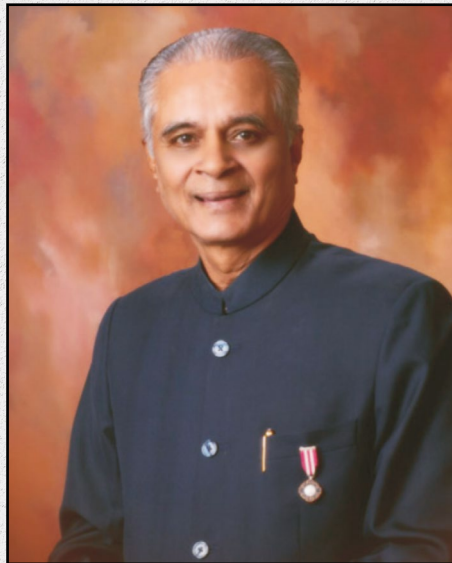

FACULTY OF MEDICAL & HEALTH SCIENCES (FoMHS)

Faculty of Medical & Health Sciences (FoMHS), a proud constituent of SIU, is a conscious response to the growing concerns regarding healthcare delivery and education including training of healthcare professionals across all cadres. The FoMHS offers on campus fulltime and online education programs meant to professionally upgrade the healthcare professional. Through its unique, innovative, career oriented programmes, FoMHS plans to raise a cadre of professionals who would ensure delivery of optimum health care services with the ultimate objective of creating a healthy world.

SYMBIOSIS MEDICAL COLLEGE FOR WOMEN (SMCW)

The Symbiosis Medical College for Women is the brainchild of the Founder and Chancellor of the Symbiosis International University, Prof. Dr. S. B. Mujumdar. Presently, only 17% of allopathic doctors in India are women. With an objective of women empowerment and contributing to the requirement of more women doctors, Symbiosis has established this exclusive college under its Faculty of Medical & Health Sciences. It is the first fully residential Medical College exclusively for women in India. The annual intake is 150 girl students. SIU has launched Dr. Anandi Gopal Scholarship Scheme. This scholarship (full fee waiver for the entire MBBS program) is awarded purely on merit. SMCW is the first Medical College in the country to offer free medical education!

The Symbiosis Medical College for Women (SMCW) is located at the scenic campus of the Symbiosis International University at Gram Lavale, Pune. The medical college and its attached Symbiosis University Hospital and Research Centre (SUHRC) has state-of-the-art infrastructure and facilities. The faculty at SMCW and SUHRC has been drawn from the best across the country. SMCW thus endeavours to produce caring, compassionate and ethical female doctors.

SYMBIOSIS UNIVERSITY HOSPITAL & RESEARCH CENTRE (SUHRC)

Symbiosis University Hospital & Research Centre (SUHRC) is the hospital attached to the Symbiosis Medical College for Women (SMCW). SUHRC is currently a 866 bedded hospital and is located within the Symbiosis International University campus at Lavale, Pune. The hospital has all the departments required for a teaching hospital including Critical Care Medicine, a full-fledged Pathology lab and an all-product Blood bank. There is also a Cardiology Dept. with the latest generation, dual (Cardiology and Neurology) Cath Lab. The Radiology department is a state-of-the-art facility with all the latest radiological equipment. All theatres are 'modular' with 2-way data transfer facilities.

The SUHRC provides top-quality clinical services, which are protocol-driven and evidence-based. ETHICS with transparency of operations are accorded topmost priority.

The hospital caters to the population in a radius between 25-50KM from SUHRC. It also provides healthcare services to the large community of students and faculty currently residing at the University campus (around 4000). Today we have an a daily OPD of around 1200-1500 patients and an indoor strengths of around 275-300 patients across disciplines.

Dear Sir/Madam/Delegate,

Warm greetings from team MAPCON 2023

We, the members of organizing committee of MAPCON 2023, invite you to the cultural city of Pune for 44th State conference of Maharashtra Association of Pathologist and Microbiologists, which is being held at scenic campus of Symbiosis Medical College for Women and Symbiosis University Hospital & Research Centre from 6th October 2023 to 8th October 2023.

We believe that the combination of education, science, research, networking and socializing will make "MAPCON 2023" a memorable event. Join us and let us work together to inform and educate with the aim of improving diagnosis & treatment outcomes in Pathology.

Symbiosis is a family of academic institutions which include University, Colleges, Centres, and Schools which have been imparting quality education for 50 years. It is host to over 40,000 Indian and International students on campus. These campuses epitomize the Symbiosis vision, 'Promoting International Understanding through Quality Education', and are a beehive of international students from all across the globe, being privy to Indian culture and hospitality. Many of these campuses are fully residential and have recreational facilities which include swimming pools, amphitheatres & Health Care centres.

We all request you to kindly register for this academic as well as social gathering in large numbers. A galaxy of pathology stalwarts from overseas have promised to participate in this mega event. This event is organized by Department of Pathology, Symbiosis Medical College for Women & Symbiosis University Hospital & Research Centre, Lavale, Pune and supported by Indian Association of Pathologists and Microbiologists.

On behalf of the organizing committee, we extend a warm welcome to you all!

Eminent speakers will be participating. Scientific programme will be updated soon.

Dr. Anand Bhosale
Organizing Secretary
Professor & Head,
Department of Pathology

Chief Guest

Dr. Anita Borges

Director, Centre for Oncopathology

Scientific Session :- Eminent Speakers with Topics

Sr. No.	Session	Eminent Speakers	Topic
06-10-2023 Preconference CME			
1	Bone & Soft Tissue	Dr. Bharat Rekhi	Mesenchymal Tumors : Whats new in recent WHO
		Dr. Mukta Ramadwar	Impact of Molecular testing on diagnosis of Soft tissue Sarcomas
		Dr. Sujit Joshi	Common Soft tissue neoplasms presenting as Primary Bone lesions causing diagnostic challenges
2	Hemato-oncopathology	Dr. Sumeet Gujral	Approach to Lymphoma
		Dr. Suresh Nair	Challenges in Hemato-oncopathology
		Dr. Prashant Tembhare	Flowcytometry and Hematolymphoid Neoplasms
		Dr. P G Subramanian	Approach to Acute Leukemias
		Dr. Sweta Rajpal	Molecular Diagnostics and Hematolymphoid Neoplasms
3	Immunohistochemistry	Dr. Jaydeep Pol	Mining for Primary in Metastatic lesions: A case based approach
		Dr. Sagar More	Approach to Diagnosis of Spindle cell tumors
		Dr. Rupesh Gundawar	Approach to Diagnosis of Round cell tumors
4	Pancreatobilliary	Dr. Siddharth Datta Gupta	Looking at Liver biopsy
		Dr. Amruta Patil	EUS guided FNAC of Pancreatobiliary lesions and Brush cytology of CBD/CHD strictures
07-10-2023 Conference Day-1			
5	Head & Neck	Dr. Asawari Patil	Sinonasal tumors - Approach to Diagnosis
		Dr. Jaydeep Pol	FNAC of Head and Neck lesions: A case based approach
		Dr. Munita Bal	Salivary gland tumors : Diagnostic approach
6	Breast lesions	Dr. Roshan Chenoy	Spectrum of Lobular lesions of the Breast
		Maj Gen (Dr) Reena Bhardwaj	Proliferative Benign Breast lesions
		Dr. Asawari Patil	From genes to prognosis : Understanding the Molecular landscape of Breast cancer
7	GI-Liver Pathology	Dr. Siddharth Datta Gupta	Non Alcoholic Fatty Liver disease
		Dr. Kedar Deodhar	Illuminating the unknown: Exploring Gastrointestinal Malignancies through a fascinating slide seminar
		Dr. Mukta Ramadwar	An update on Neuroendocrine Tumours of GI tract

Sr. No.	Session	Eminent Speakers	Topic
08-10-2023 Conference Day-2			
8	Gynac Pathology	Dr. Kedar Deodhar	From DNA guardians to Disease detectives : Exploring p53 & p16 in Gynecologic Pathology
		Dr. Santosh Menon	Recent advances in Uterine Cancer Pathology
		Dr. Swati Kadam	From Complexity to Clarity : Decoding challenging Ovarian tumor cases
9	Renal Pathology	Dr. Santosh Menon	Renal Cancer Pathology Updates : How to approach
		Dr. Swapnil Karnik	Slide Seminar : Potpourri of interesting Kidney biopsy cases
		Dr. Rakhi Jagdale	From bench to diagnosis : A journey through Genitourinary cases
10	Practicing Pathologist	Dr. Rajiv Rao, Dr. Prasad Kulkarni Dr. Keskar	Panel Discussion
		Dr. Sachin Kale	AI tools and ChatGPT in scientific work and research
		Dr. Sandeep Yadav	Future of standalone Pathology labs
11	Oncopathology	Dr. Hemant Kokandkar	Morphology to molecular biology : A journey towards personalized Cancer care
		Dr. Pallavi Chaudhari	Navigating the Complexity of Pulmonary tumor Pathology: Recent Advances and Discoveries
12	Endocrine Pathology	Air Cmde (Dr) Arijit Sen	Encapsulated lesions of Thyroid : Slide seminar
		Dr. Mahesh Mandolkar	Potpourri of interesting Pituitary lesion cases

Registration Fees

Tariff is inclusive of: -

- Complimentary Buffet Breakfast.
- Complimentary Wi-Fi internet usage.
- Complimentary Tea/Coffee Maker in room.
- Complimentary Packaged Drinking water.

Facilities:

- 24 Hours Coffee Shop
- Multi-cuisine restaurant – MKAHAWA Cafe'

How to reach Symbiosis Medical College for Women (SMCW)

The location can be reached via a call cab or local auto from Pune train station or the airport. Lavale is approximately 17 km from Pune University and 25 km from Pune train station. Lavale is in the Mulshi Tehsil and city buses are available till the Pashan area. Lavale campus can also be reached from Symbiosis's Senapati Bapat Road Location via buses that operate at certain times each day.

For Direction, from your location, follow google map link below:

[https://www.google.com/maps/place/Symbiosis+International+\(Deemed+University\)/@18.5351194,73.731592,15z/data=!4m5!3m4!1s0x0:0x4b9133b7a228d7d0!8m2!3d18.5351194!4d73.731592](https://www.google.com/maps/place/Symbiosis+International+(Deemed+University)/@18.5351194,73.731592,15z/data=!4m5!3m4!1s0x0:0x4b9133b7a228d7d0!8m2!3d18.5351194!4d73.731592)

Guidelines for Presenting Papers and Posters

The Conference committee invites you to participate actively in this conference which will be an extraordinary occasion for the exchange of thoughts and experiences. We look forward to receiving abstracts online for consideration and inclusion in the scientific programme as oral and poster presentation.

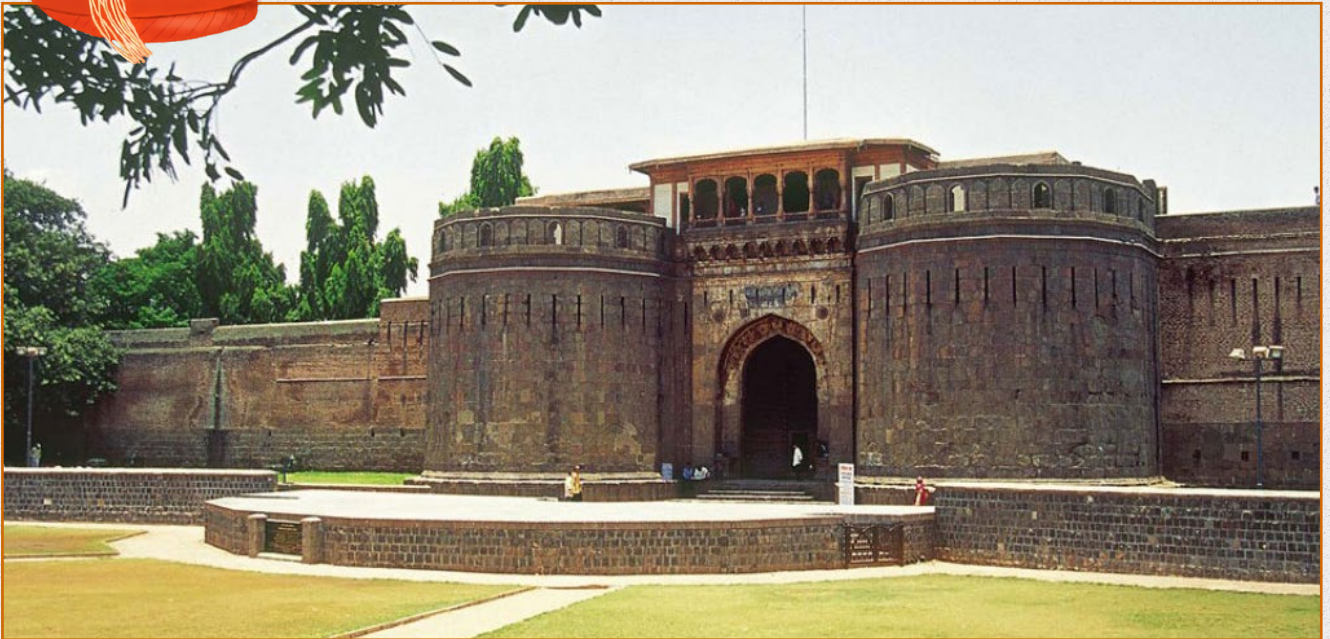

Guidelines for presenting Papers and Posters:

As ratified from time to time, the groups of subjects have been earmarked as:

- Anatomic Pathology and Histopathology
- Haematology, Clinical Pathology, Blood Banking and Immunology and others.
- Cytopathology
- All Abstracts to be submitted ELECTRONICALLY ONLY via the tab provided below.
- Preferable structure for paper/poster: Title, Presenting Author (to be underlined), Co-Author(s), Institute, Designation, Introduction, Clinical profile, Results, Discussion, Conclusion.
- All abstracts to be submitted in one page in portrait orientation in PDF format only (Maximum up-to 20MB).
- Hyperlinks, animation images or videos are not permitted.
- Seven minutes will be allotted to the presenting author (5+2).
- Abstracts of papers and posters will be scrutinized for their presentation merit by scientific committee. The committee will have the right to change the pattern of presentation (Papers to posters) and acceptance or rejection on merits of the abstract.
- **Last date of receipt of Abstracts is 31st July 2023, (submission deadline will NOT be extended).**
- Presenters shall be notified of acceptance of the abstract by 15th August 2023.
- All abstracts will be published in the Souvenir.
- All presenters are mandated to register for the conference and to be physically present during the designated poster/paper presentation viewing period.
- ***Delegates who want to present paper / poster need to register for both CME and Conference.**

About Pune and How to Reach

Pune, the cultural and educational capital of the Indian State of Maharashtra is also known as 'The Oxford of the East' due to the presence of several well-known educational institutions. The city has emerged as a major educational hub in recent decades, with nearly half of the total international students in the country studying in Pune.

Pune, is a bustling metropolis with an estimated population of about 7 million spread over 138 sq. kms. It is situated at an altitude of 559 meters above sea level. It has been ranked as one of the most liveable cities in India several times. The temperatures ranges from 15° C to 35° C with an average rainfall of 68 cm.

The city has an excellent cosmopolitan mix catering to the largest number of student population in India coming from different states & cultures. With its safe and secure living conditions the abundant night life options of the city provide a welcome option for students.

Pune is well connected with National Highways, Express Highways leading to Mumbai, Bangalore, Hyderabad, Ahmedabad and other major cities. Pune railway junction has connectivity with almost all parts of the country. Pune International Airport provides air connectivity to all major airports in India.
